Subject: RE: FOR APPROVAL - FW: OPSB Special Constables Report updated

Hi Krista,

The Chair approves this request. She has asked me to convey her concern that MOUs for new resources articulate that RCMP officers are fully embedded in the OPS and are fully deployable.

Thank you,
Julia

Hello Diane,

The OPS is looking for Board approval for up to 400 RCMP employees to be appointed as special constables to assist with the ongoing demonstrations.

As per Saturday's Board direction, you were delegated authority to approve resource requests related to the ongoing demonstration.

Can you please provide approval for this request so I can advise the OPS?

I have asked the Service to provide the names of those being appointed (which is our common practice). They have provided me with the names they had as of 10:30am however the list continues to evolve. I have attached what they provided to me.

Once approved, I will send an email to the Board as an FYI to advise them of your use of delegated authority.

Regards,

Good evening Krista & Hannah,

Please find attached the updated OPSB Special Constable report. The date has not yet been added at the top and left blank because it wasn't certain when this would be presented. It will need to be filled in prior to posting.

Thanks very much!
